1. All files created in Word, Excel, PowerPoint and OneNote Online is saved and stored in OneDrive.
2. You have option to store document that is created in Word, Excel, PowerPoint and OneNote 2016 (client) in OneDrive.
3. Word, Excel, PowerPoint and OneNote 2016 will always sync any changes that you made on the document file to OneDrive.
4. Sway and Forms do not use your OneDrive storage. Both are run on their own cloud based services.

Tamat Terima kasih
